

## The KSEA National Mathematics Competition 2003: Final Results

The Korean-American Scientist and Engineers Association (KSEA, [www.ksea.org](http://www.ksea.org)) is pleased to announce the final results of the National Mathematics Competition (NMC) held on April 19, 2003.

By any measure, the NMC2003 was a big success. Thirteen chapters participated in the event. The total number of students was 1521. KSEA would like to thank all students, parents and guardians, chapter presidents and volunteers, and NMC Committee members who contributed to success of the NMC2003.

The NMC2004 will be held on April 10, 2004. We hope it will be even a bigger success.
